

THE ISLAND SCHOOL'S

2026 SUMMER CAMP

To register, go to: www.theislandschool.org/summer-camp

The Wild Chef & Woodsman Challenge

June 15–18 | 9:00am–4:00pm | \$340 | Rising K–Rising 4th Graders

Ever wondered what the forest has to offer? Learn to identify local wild edibles and turn them into delicious recipes. Build sturdy shelters, learn essential knot-tying, and practice the ancient skill of fire-starting.

The World Through New Eyes

June 22–25 | 9:00am–1:00pm | \$225 | Age 3 years–Rising K

This week of fun for our littlest ones is all about immersion in the outdoors. It will be full of hands-on activities designed to awaken the five senses and spark a lifelong love for nature.

Think It. Build It. Test It.

August 3–7 | 9:00am–4:00pm | \$425 | Rising K–Rising 4th Graders

Calling all future architects and inventors! Use "weird" and unconventional items to solve design dilemmas. Meet daily engineering prompts that stretch your brain and your building skills.

The Great Nature Detective Agency

August 10–14 | 9:00am–4:00pm | \$425 | Rising K–Rising 4th Graders

This week is for the curious minds who love a good mystery. We focus on wonderings and big ideas—speculating on the secrets of the ecosystem and using our five senses to track, find, and explore the unknown.

The Ultimate Creative Mash-Up

August 17–21 | 9:00am–4:00pm | \$425 | Rising K–Rising 4th Graders

Who says you need a paintbrush to make art? We're ditching the "ordinary" and embracing the "unexpected." Use a variety of unusual items to build structures and games. Transform random objects into exciting masterpieces.

Finding Your Way: Navigating Light

August 24–25 | 9:00am–4:00pm | \$170 | Rising K–Rising 4th Graders

Two days of high-energy exploration! Discover landmark recognition and the science of direction and how to use a compass. Put those new skills to the test with epic scavenger hunts across the grounds.
